Teaser	If you want to work as an engineer authorized to submit building plans, you must be entered in the corresponding list.
Volltext	If you want to work as an engineer entitled to a building template, you must be a member of the Chamber of Engineers. You must apply for entry in the list of engineers entitled to submit a building template. Engineers entitled to submit building proposals are entitled to draw up building templates for the non-procedural construction and modification of buildings.
Erforderliche Unterlagen	You must enclose the following documents with your application: • Officially certified copy of a successful degree in civil engineering or structural engineering • Proof of 2 years of practical experience in the field of design planning of buildings. Originals/copies of building applications for at least 2 buildings with the associated independently prepared design plans with approval notes and the corresponding building permits from a period of at least 2 years (without specialist planning). Certificates from the authorized designer or the authorized employer for the planning with regard to the service phases
