Teaser	Would you like to work as an auditor for earthworks and foundation engineering? To do this, you must be recognised.
Volltext	As a test expert or test expert for earthworks and foundation engineering, you check and certify the completeness and correctness of the information about the subsoil. If you want to work in this profession, you must be recognized. You must apply for this recognition.
Erforderliche Unterlagen	You must submit the documents in accordance with § 4, 32 and 34 PPVO with the application.
Voraussetzungen	You must prove the general and special requirements in accordance with § 3, 4 and 32 of the Ordinance on Test Engineers and Test Experts (PPVO).
Kosten	The fees depend on the administrative burdens. In addition, you must pay fees for the expert opinion in advance.
Verfahrensablauf	You submit the written application to the competent authority. This will then check on the basis of your submitted documents and the condition to be fulfilled whether you can be recognised. This also includes the preparation of an expert opinion. You will then receive an acknowledgement or rejection decision.
Bearbeitungsdauer	Up to 3 months.

Modul	Sachverhalt
Frist	None.
