Sachverhalt

Saxony-Anhalt,

- have their field of activity mainly in the state of Saxony-Anhalt,
- serve exclusively or predominantly for adult education,

- are open to all,
- be a legal person or be supported by legal persons,
- have existed for at least 3 years and have proven their efficiency during this time,
- The management of the institution must be full-time. As a rule, the manager must have a scientific university degree. Exceptions to this are possible after a case-by-case examination, including in particular a completion of level 6 according to the German Qualifications Framework, taking into account professional experience in adult education.
- The institutions ensure high-quality educational work by maintaining a quality management system. This serves the continuous improvement of the organizational structure, the quality of the pedagogical processes, the educational infrastructure and personnel development. The recognised adult education institutions are obliged to prove the quality management system to the Ministry responsible for adult education every 4 years, for the first time on 01.12.2022. The evaluation can be carried out both externally and internally. The proof of the external evaluation must be documented in writing by a recognized certification body (certificate) and handed over to the ministry responsible for adult education.
