Teaser	If you operate a medium combustion plant, you must notify it to the competent authority.
Volltext	As the operator of a combustion plant (medium combustion plant, gas turbine and combustion engine plant) with a rated thermal input of at least 1 MW and less than 50 MW, you are obliged to notify the competent authority in writing or electronically of the intended operation before commissioning. The operation of an existing combustion plant shall be notified in writing or electronically to the competent authority by 1 December 2023. The notification must contain the information specified in Appendix 1 of the 44th BImSchV. The competent authority shall include the installation in its register of installations. You will be informed of the registration by the competent authority.
Erforderliche Unterlagen	Display with the data relevant for the system: • Combustion heat output of the combustion plant (in megawatts);
