Teaser	Insured persons of the statutory health insurance are entitled to medically necessary remedies.
Volltext	<p>As a legally insured person, you are entitled to medically necessary remedies. These are services of physiotherapy, podiatry, voice, speech and speech therapy, occupational therapy and nutritional therapy. The services are provided on medical prescription by approved service providers. An approval by your health insurance company is not required.</p>
Erforderliche Unterlagen	A doctor's prescription is required.
Voraussetzungen	<ul style="list-style-type: none"> • The supply of therapeutic products at the expense of the statutory health insurance companies requires a doctor's prescription. • Remedies can only be prescribed at the expense of health insurance companies if they are necessary to to cure a disease, to prevent its exacerbation or to alleviate disease complaints, eliminate a weakening of health that is likely to lead to a disease in the foreseeable future, counteract a risk to the health development of a child, or To avoid or reduce the need for care. • Therapeutic products may only be provided by approved providers of therapeutic products such as physiotherapists, occupational therapists, speech therapists or speech therapists or nutritional therapists.
Kosten	Insured persons who have reached the age of 18 must pay 10% of the selling price for therapeutic products as a co-payment, but at least EUR 5 and a maximum of EUR 10; however, no more than the cost of the remedy

Modul	Sachverhalt
	<p>and an additional EUR 10 per regulation.</p> <p>If you have little or no income, you can be exempted from the co-payment on request. Please contact your health insurance company.</p>
Verfahrensablauf	Check with your health insurance company.
Bearbeitungsdauer	
Frist	Unless the prescription indicates the latest start of treatment, treatment should be started within 28 calendar days. An urgent start of treatment must be indicated on the prescription. If the treatment of therapeutic products cannot be included during the said period, the regulation loses its validity.
weiterführende Informationen	
Hinweise	
Rechtsbehelf	If the health insurance company rejects the benefit, an objection can be lodged. If the objection is not remedied, you can take legal action against it before the Social Court.
Kurztext	<ul style="list-style-type: none"> • Insured persons are entitled to the supply of therapeutic products • The details are regulated in the Therapeutic Products Directive of the Federal Joint Committee. • Remedies include measures of the Physical Therapy Podiatric therapy Voice, speech and language therapy Occupational therapy Dietetic treatment • The remedy must be medically necessary, e.g. to cure or alleviate a disease. • It must be prescribed by a doctor. • It can only be provided by approved service providers. • Approval by the health insurance company is not required. • Insured persons who have reached the age of 18 must pay 10% of the selling price for therapeutic products as a co-payment, but at least EUR 5 and a maximum of EUR 10; however, no more than the cost of the remedy and an additional EUR 10 per regulation.
