Teaser	Do you need descriptive information about your property for private purposes, such as size, location or booking reference? Then apply for an extract from the real estate register from the geographic base information system.
Volltext	If you are the owner of a property, you can apply for an extract from the property register. Other persons can also obtain extracts if they have a legitimate interest and can prove it. For private applications apply for an extract from the basic geographic information system (real estate register). This contains the following data: • descriptive data (e.g. parcel number) • Descriptive data (e.g. area of the parcels) from the real estate cadastre • Land register and ownership details as, for example, parcel certificate, • parcel and owner certificate • optionally land valuation data. You will receive the extract from the geo-base information system in paper or digital form.
