## Sachverhalt

lost/stolen driver card if the remaining term is more than 185 days.

The start of validity is the date of personalization (production) by the Federal Motor Transport Authority (KBA). If a replacement card is issued, the application must be submitted within 7 calendar days.

Once the application has been submitted and checked, the card will be issued within 8 working days. During this time, the driver may continue driving without a valid driver card for a maximum of 15 days. For the period in which the driver is not in possession of a driver card, printouts must be made from the digital tachograph and carried in the correct manner.

In addition to the usual documents, a written declaration must be enclosed in the event of loss, a theft report in the event of theft and the faulty card in the event of malfunction or damage. The authority processing the application may require an affidavit.
