Teaser	If you want to hold an event at your airfield where aircraft are displayed in flight or compete against each other in a competition, then you need a permit. You must apply for this from the relevant aviation authority.
Volltext	<p>Aviation events are associated with particular hazards due to the increased traffic density and a large number of visitors. They must therefore be meticulously planned, meticulously executed and strictly controlled.</p> <p>The responsible aviation authority checks whether the program and the participants offer the guarantee that the event will be held safely and, in the case of event approval, regulates necessary safety and noise protection precautions.</p> <p>During the event, the aviation authority monitors</p>

**Sachverhalt**

compliance with these requirements.

You do not need a permit for aviation events in which only model aircraft and non-motorized aerial sports equipment participate under an already issued ascent permit, which are not subject to mandatory traffic licensing and with which no passengers are transported.

**Erforderliche Unterlagen**

- Completed application for approval of an aviation event
- Consent of the aerodrome operator (unless the event organizer is also the aerodrome operator).
- Aerial event located outside of an aerodrome: Proof of right of use Sketch of the site envisaged, indicating its dimensions, and an expert opinion on its suitability Map on a scale of 1:25000 Site plan at a scale of 1:1500 to 1:5000 with the event site marked. The dimensions of the event site, take-off and landing areas, the locations of the emergency services and the doctor as well as parking spaces and the barriers must be drawn in the plan. Program of the event including flight program Air traffic control information (description of the airspace or routing required for the air show).
- At the request of the competent authority: Safety concept including emergency planning Flight operation instructions of the person in charge of the event Names and pilot's licenses or officially certified copies of the pilot's licenses of the pilots involved in the event Agreements of the event organizer with the pilots, air carriers, other parties involved in the air and ground demonstrations and with the liability and accident insured parties Proof of the organizer's liability insurance Proof of ground accident insurance Proof of continuous flight training of the participating aerobatic pilots Expert opinion on the suitability of the event site

**Voraussetzungen**

- As the organizer, you have taken out organizer's liability insurance to cover any third-party damage.
- The aviation event does not endanger public safety or order.

**Kosten**

Abgabe: Es fallen keine Kosten an  
 Note: No costs are incurred at the time of application.  
 Only after the application has been reviewed is a fee
