The health consultation and registration must take place in person. A certificate of registration will be issued. This is valid nationwide. 	You will receive a certificate as proof of registration. An alias certificate can also be issued on request. The alias name is freely selectable.
Verfahrensablauf	Prior to registration, a health consultation by the public health department is required. This must be repeated every 12 months, and every 6 months for under 21-year-olds. You will be informed about topics such as pregnancy, contraception, protection against diseases or the risk of alcohol and drug consumption. A certificate will be issued at the appointment. You must present this when registering for prostitution. You will then register with the relevant district office. In an information and counseling session, you will be informed about your rights and obligations, health and social counseling services or the availability of help in emergency situations, among other things. https://www.bmfsfj.de/resource/blob/117100/02d80fd00e863bd21e9bbc7a30d6405/prostituiertenschutzgesetz-info-verfahren-und-anmeldung-prostitutionstaetigkeit-data.pdf https://www.bmfsfj.de/resource/blob/117100/02d80fd00e863bd21e9bbc7a30d6405/prostituiertenschutzgesetz-info-verfahren-und-anmeldung-prostitutionstaetigkeit-data.pdf
