Teaser	You have acquired a professional qualification as a paramedic abroad and would like to work in the profession permanently in Germany? Then you can have your foreign professional qualification officially recognized.
Volltext	<p>You can have a degree as a paramedic from abroad officially recognized in Germany. The procedure for recognition is called: equivalence determination.</p> <p>Please note: Your degree must be state-recognized in the state of your training. Informal or non-formal qualifications cannot be officially recognized in Germany.</p> <p>You apply for recognition at the competent office in the federal state in which you would like to work. To do this, you must submit an application with all the necessary documents to the relevant state authority.</p> <p>When determining the equivalence, the competent authority compares your professional qualification from abroad with the professional qualification in the federal state. Important criteria for the comparison are the content and duration of the training.</p> <p>You will receive a decision on the result of the procedure. The notice states the existing and any</p>
