Teaser	Here you can find out how to request a certificate from the commercial register.
Volltext	With the joint register portal of the federal states, you can download and print out copies of the register content and documents submitted to the commercial register yourself. You can use the register portal without registration and free of charge. You have the option of entering keywords or register numbers to search specifically for registered companies, for example. Alternatively, you can request a printout from the electronically managed registers from the register court. If documents are only available in paper form, copies will be made. In addition, you can still inspect the registers during business hours at the registry court (free of charge) and have a printout or copy made there (subject to a fee). https://www.handelsregister.de/rp_web/welcome.xhtml https://www.handelsregister.de/rp_web/welcome.xhtml
