| Handlungsgrundlage         | <a href="https://www.gesetze-im-internet.de/tkg_2021/_127.html">https://www.gesetze-im-internet.de/tkg_2021/_127.html</a><br><a href="https://www.gesetze-im-internet.de/tkg_2021/_127.html">https://www.gesetze-im-internet.de/tkg_2021/_127.html</a>                                                                                                                                                                                                                                                           |
| Teaser                     | If you want to lay or change telecommunication lines, you need a permit.                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Volltext                   | <p>If you are the owner or operator of a telecommunications line, you require the consent of the landowner to lay or modify this infrastructure. This also applies to telecommunications networks that serve public purposes.</p> <p>You must apply for permission for public transport routes.</p> <p>Telecommunications lines are telephone and data cables.</p> <p>A telecommunications network establishes communication connections between several terminals (for example, your telephone connection).</p> |
| Erforderliche Unterlagen   | <ul style="list-style-type: none"> <li>• Map with exact location of the measure</li> <li>• Exact description of the measure</li> <li>• Right of way of the Federal Network Agency (BNetzA)</li> <li>• For service providers: additional power of attorney</li> </ul>                                                                                                                                                                                                                                             |
| Voraussetzungen            | <ul style="list-style-type: none"> <li>• You are the owner or operator of public telecommunications networks.</li> <li>• You are the owner or operator of telecommunications lines that serve a public purpose.</li> <li>• You have been assigned the right of way by the Federal Network Agency (BNetzA).</li> </ul>                                                                                                                                                                                            |
| Kosten                     | Fees apply.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Verfahrensablauf           | <p>You can apply for line relocations in public traffic routes in writing or online.</p> <p>The process begins with you, the telecommunications company, submitting the application.</p>                                                                                                                                                                                                                                                                                                                         |

| Modul                        | Sachverhalt                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
