advisory services.

The grant is awarded as a subsidy. The grant amounts to a maximum of 90 percent of your eligible expenditure. However, minimum and maximum limits apply.

On the one hand, no grants of less than 500 euros (de minimis limit) will be awarded. On the other hand, eligible expenditure is limited to up to 120 euros (net) per consulting hour and 1,500 euros (net) per consulting service and company.

For each company, only one consultation per system (consulting service) can be funded per calendar year. However, you can receive a grant for several consultations on different consulting services.

In total, grants of up to EUR 4,500 can be awarded per company per calendar year. Expenditure is generally eligible net, i.e. excluding VAT.

The following advisory services are eligible for funding:

- Health aspects of animal husbandry,
- Adaptation to climate change,
- Sustainable use of soil, water and air resources,
- Conservation of biodiversity,
- Organic farming,
- fertilization and
- sustainable plant protection.

Erforderliche Unterlagen

Voraussetzungen

- You are advising the agricultural enterprise or producer association on one or more eligible consulting priorities.
- Your planned advisory service is not already funded by other public funding programs.
- You have not already contractually agreed on the consulting priorities in question as part of the accompanying farm advisory service.
- Your advisory service is not mandatory for the agricultural enterprise or producer association (for example, fertilizer advice is mandatory under the Material Flow Balance Ordinance).
- You may only conclude the consultancy contract after the application has been submitted (the draft contract to be submitted with the application may only be signed by the final beneficiary (your client)).
- Your client (final beneficiary) is an agricultural enterprise or producer group in primary production.
- The agricultural enterprise or producer association has its registered office in Saxony-Anhalt.
- The company or producer group you are advising is a micro, small or medium-sized enterprise (SME).
- Your clients are not in difficulty within the meaning of Article 2 No. 14 of Regulation (EU) No. 702/2014
- The company must have complied with recovery orders based on a previous decision of the European Commission declaring aid unlawful and incompatible with the internal market.
- The company or producer association has repaid previous recovery orders.
- They are recognized as advisors by the State Institute for Agriculture and Horticulture.
- You are registered in the "List of recognized private consultants in Saxony-Anhalt" for the relevant categories and with the relevant consulting focus.

confidentially.

Furthermore, you must provide neutral advice. You undertake to ensure that the advice follows the following principles:

- conscientious and
- independent and free from third-party interests,
- no direct or indirect advertising, sales or brokerage activities for goods or company-related services,
- no legal advice,
- no specific product advertising.

You also undertake to document the advisory recommendations

- to document
- and have them signed by all parties involved,
- to keep them
- and to submit them to the competent authorities on request.

Administrative checks and random on-site inspections may be carried out by the authorities listed below.

They are obliged to allow audits by the competent authorities of the federal state, the federal government, the European Union (EU) and the relevant courts of audit. You must allow these authorities

- grant these authorities access to the business management documents,
- provide assistance with inspections and grant access to all business premises and facilities.

If you do not allow the audit to be carried out, your grant will be revoked.

Rechtsbehelf

You can take legal action against the decision of the approval authority. The decision will then be reviewed. Details of this procedure can be found in the information on legal remedies at the end of your decision. We recommend that you talk to the granting authority first before taking legal action against the decision.
