## Modul

## Sachverhalt

The competent authority may recognize as sufficient an examination or completed training that is at least equivalent to one of the training courses of the persons mentioned.

### Erforderliche Unterlagen

- Signed curriculum vitae (in tabular form) with all professional qualifications and career history
- A copy of the final certificate/diploma
- Document on the exact course and content of the training, including details of subjects/hours
- If applicable, confirmation from the (future) employer or the employer with details of the place of work
- If applicable, certificate of equivalence (for professional qualifications obtained in third countries)

Note:

For the recognition of a professional qualification acquired in a third country, you must present a certificate of equivalence. The certificate confirms the equivalence or partial equivalence of your professional qualification with a German professional qualification (the so-called reference profession).

### Voraussetzungen

The prerequisite is the equivalence of the completed training.

The examination regulations of the individual training and study subjects are relevant for recognition.

Exceptions for which no application is required:

Insofar as the recognition of a foreign degree in the study programs in accordance with pharmaceutical law or a foreign professional qualification in the professions according to the pharmaceutical law by a competent German authority or institution, there is no need to submit an application for an equivalence assessment in accordance with pharmaceutical law.
