Sachverhalt

applied sciences in the field of agriculture or veterinary medicine obtained after January 5, 2007.

- You have passed a final examination in the professions of butcher (including slaughtering of animals), farmer, horse farmer, animal keeper, animal keeper or other recognized professional qualifications or certificates that require the necessary specialist knowledge after 5 January 2007.
 - You have a degree from a university or university of applied sciences in the field of agriculture or veterinary medicine obtained before 6 January 2007 or have passed a final examination before 6 January 2007 in the professions of butcher (including animal slaughtering), farmer, horse farmer, animal keeper, animal keeper or other recognized professional qualifications and have also completed a supplementary course.
 - You have the required proof of a complete training course (15 to 20 hours of instruction) at a recognized training institution.
 - You have the required proof of having passed the certificate of competence examination after January 5, 2007 and before February 19, 2009 in accordance with Section 13 (3) of the Animal Welfare Transport Ordinance in the version published on June 11, 1999 (BGBl. I p. 1337).
- If you have any questions, please contact the competent veterinary authority.

Kosten

Is based on the respective administrative fee schedule of the federal state or on the fee statutes of the authorities responsible under federal state law.

Verfahrensablauf

You make the application and submit the required documents.
The authority then checks the documents and issues you with the certificate of competence if the check is successful.

Bearbeitungsdauer

Once you have submitted all the documents in full, the responsible office will process them promptly.

Frist

The certificate of competence must be available before starting work.
