Volltext	<p>The Voluntary Ecological Year (FÖJ) gives young people the opportunity to actively work for the preservation of our nature and environmental protection after completing full-time compulsory schooling up to the age of 27. The FÖJ is particularly suitable for:</p> <ul style="list-style-type: none"> • Time between school leaving certificate and vocational training or start of studies, • Career orientation as well as • Personality development and strengthening of the sense of responsibility for a sustainable approach to nature and the environment <p>The mission begins on 1 September and ends on 31 August of the following year. If you conclude an apprenticeship or study place, the contract can be terminated prematurely. The FÖJ participants work 40 hours a week in the field of nature and environmental protection, environmental education work with different target groups, care and planting work as well as public relations. In addition to the year-round work in the self-selected locations, five one-week educational seminars on various topics take place.</p> <p>https://www.foej-lsa.de/ https://www.foej-lsa.de/</p>
