| Teaser                        | If you wish to use public traffic areas for construction work or events, you must apply for a traffic order from the local road traffic authority.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Volltext                      | <p>You must obtain a traffic order from the local road traffic authority for every measure in which you use and restrict public traffic space. Such measures include</p> <ul style="list-style-type: none"> <li>• Road construction measures</li> <li>• the erection of scaffolding or the storage of building materials</li> <li>• removals</li> <li>• events</li> </ul> <p>You may only start the measures once you have been issued with the order.</p> <p>You are responsible for informing the public about the measure.</p> <p>The competent authority will specify in the traffic order</p> <ul style="list-style-type: none"> <li>• how you must cordon off and mark the work site,</li> <li>• whether and how you must restrict, direct and regulate traffic and</li> <li>• how you must mark any detour routes.</li> </ul> <p>On the one hand, these requirements ensure the</p> |

## Modul

## Sachverhalt

safety of workers and road users. On the other hand, they ensure that traffic is not impaired more than necessary.

You need a traffic order not only when a lane is completely or partially closed. It is also necessary if the work only affects cycle paths or footpaths.

If the requested traffic restriction is a work site, a site manager must be appointed.

If the measure lasts longer than the requested period, you must apply for an extension of the measure before the approved period expires.

In the event of an emergency, please contact the relevant police station directly.

## Erforderliche Unterlagen

You will need the following documents:

- Application for a traffic law order to restrict traffic space
- Site plan to scale
- If applicable: Certificate "Information sheet on the general conditions for the specialist knowledge required for traffic safety at road works" (MVAS)
- optional: traffic sign plan
- optional: detour plan
- Optional: Explanation of the construction project/procedure
- optional: signal position/signal plan

## Voraussetzungen

You must meet the following requirements:

- You can demonstrate a legitimate interest.
- They do not restrict the safety of traffic and do not impair traffic disproportionately.
- They do not disproportionately restrict public use.
- In the case of traffic space restrictions due to a work site: As the person responsible for a traffic order, you hold the certificate "Merkblatt über Rahmenbedingungen für erforderliche Fachkenntnisse zur Verkehrssicherung von Arbeitsstellen an Straßen" (MVAS).

| Modul                        | Sachverhalt                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
