Teaser	Here the schools inform themselves about the possibilities of applying for the establishment of an all-day school.
Volltext	Schools can be organized as all-day schools. The design as an all-day school requires a pedagogical concept for a full-day educational work of the school. This pedagogical concept is decided by the conference as a whole. The establishment requires the approval of the school authority. The prerequisite is that the personnel and material conditions are met.
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Informal application for the establishment of an all-day school, • the pedagogical concept, • the description of the school situation and the justification for the establishment of the all-day school on the basis of a needs analysis, • the decision of the general conference on the pedagogical concept, • the decision of the School Parents' Council and the Pupils' Council of the School on the application, • the approval of the school authority to the application, including a statement that it has the necessary staff in accordance with point 6.3 RdErl. of the MB of 27.2.2019 "The work in the public all-day school" within the scope of its responsibilities, • the information provided by the planning authority on the school location as part of the medium-term school development planning, • information on the expected number of pupils participating, and • the opinion of the provider of the pupil transport with regard to the implementation of the all-day offer.

Voraussetzungen

Modul	Sachverhalt
