"Carnet" means "booklet" in French, as it contains all the customs forms that customs offices at home and abroad require for clearance. "ATA" is the French/English abbreviation for "temporary importation" from the perspective of the destination country.</p> <p>A carnet facilitates the temporary import, export or transit of professional equipment, exhibition goods and samples of goods. No foreign language customs declarations need to be made out in the destination country and no customs duties or other charges need to be deposited.</p> <p>But: not in all countries Carnet ATA can be used. Please ask the Chamber of Commerce and Industry (IHK) responsible for you. You can use a Carnet ATA mainly for the following</p> <ul style="list-style-type: none"> <li>• fair and exhibition goods</li> <li>• professional equipment</li> </ul>
