Kosten

- Processing fee: none
- Commitment interest: from the 13th month after the commitment date, 0.15% per month for loan amounts not yet drawn down

Verfahrensablauf

To apply for the loan from KfW, contact the SAB or your local bank.

Application procedure via the Sächsische Aufbaubank

In the first step, take advantage of the advisory services offered by SAB. You can prepare the application with the help of an electronic assistant in the SAB funding portal.

- Follow the link to the online application and fill in the data fields according to the instructions. You can save the information at any time and complete it later.
- Once you have filled in all the data fields, you can generate your application as a PDF.
- Print out the application, sign it and attach the required documents. You can obtain further required forms here via Amt24 or from the SAB.
- Until full electronic processing is possible, please submit the application and the other documents in paper form to the SAB.
- After the SAB has examined your application, you will receive written notification as to whether and to what extent your application has been approved by KfW.

Disbursement

Modul	Sachverhalt
	<ul style="list-style-type: none"> • Apply for disbursement with the required forms and supporting documents. • After the application has been verified, you will receive the grant as a one-time payment or, if you wish, in instalments to the account you specified. • Applications to KfW are submitted via the Sächsische Aufbaubank (SAB) or your bank. • You can obtain forms and fact sheets here via Amt24 or from the SAB funding portal.
Bearbeitungsdauer	
Frist	<ul style="list-style-type: none"> • Application: before the start of the project Tip: Do not start your project until you have received the funding decision from the SAB or its approval for an early start. This already includes the conclusion of a supply or service contract.
