Sachverhalt

Foreign Qualifications

If you have a suitable degree or professional qualification obtained outside the Federal Republic of Germany, you have the right to use the professional title "Ingenieur / Ingenieurin" in the Free State of Saxony. The prerequisite is that you are entered in a special register at the Saxony Chamber of Engineers.

You may also use the professional title if you are authorised to do so under the law of another federal state of the Federal Republic of Germany.

Erforderliche Unterlagen

Voraussetzungen

You are authorised to use the job title " Ingenieur / Ingenieurin" if, for example, you have

- Successful completion of at least 6 semesters of full-time study (undergraduate Bachelor's degree or Diplom degree) at a German university or university of cooperative education in a technical or scientific field that is predominantly characterised by mathematics, computer science, natural sciences and technology (STEM subjects)
 - Master's degree in a technical or scientific subject, provided that the majority of the required STEM subjects were taught in the undergraduate degree programme
 - Successful completion of an operations manager course at a German state-recognised mining school
 - Authorisation to use this professional title under the law of another country of the Federal Republic of Germany

Kosten

- Basic fee: EUR 40.00
- Recognition fee: EUR 320.00

Verfahrensablauf

If you have a corresponding domestic training certificate, you have the right to use the professional title ""Ingenieur / Ingenieurin" in Saxony. There is no procedure and no deadlines.

Modul	Sachverhalt
	<p>**Note:** The Chamber of Engineers of Saxony can issue a certificate for the use of the professional title upon request for training certificates from the Federal Republic of Germany.</p>
