Verfahrensablauf	For security reasons, you can only have the online ID function unblocked in person. It is not possible to do this by proxy. It is also not possible to unblock the online ID function via the unblocking emergency call. You inform the Personalausweisbehörde of your request (unblocking request). Once you have been identified, the identity card authority will arrange for the card to be unblocked.
Bearbeitungsdauer	The online ID function will be unblocked immediately. If you initiate the unblocking at the municipality that issued your identity card, the unblocking will usually be carried out immediately so that you can wait for the information that the unblocking has been successfully carried out. If you unblock your identity card at the
