Volltext	Application for authorisation of a public lottery or lottery game pursuant to Section 4 (1) sentence 1 in conjunction with Section 12 (1) of the Interstate Treaty on Gambling 2021 (GlüStV 2021) Lotteries and games of chance are summarised under the term public gambling. They are generally subject to authorisation in the Free State of Saxony. A lottery is a game of chance whose participants are given the chance to win a cash prize in return for payment of a fee. In a lottery, items or monetary benefits can be won instead of money. Tombolas are raffles with non-cash prizes. What both have in common is that the prize depends on chance.
