Volltext	<p>##### Application for a grant under the ESF Guideline "Vocational Training", No. 01414</p> <p>If you are an entrepreneur who trains young people, you can have parts of the practical vocational training carried out in other companies or institutions, so-called affiliated companies. Under certain conditions, you can receive funding for training in a group.</p> <p>##### For which parts of the training are subsidies possible?</p> <ul style="list-style-type: none"> • Provision of training content in other companies or institutions to supplement your own in-company training (joint training) <p>##### What training content is not eligible for subsidies?</p> <p>You will not receive subsidies for</p> <ul style="list-style-type: none"> • inter-company training courses that are conducted in accordance with the applicable ordinance on vocational training in the construction industry <ul style="list-style-type: none"> • Vocational training relationships with regional or personal corporations under public law as well as with

Modul

Sachverhalt

companies in which regional or personal corporations under public law hold the majority of capital shares

- Subsidies for courses of inter-company instruction in the skilled trades take precedence over this subsidy.

Conditions

Type of funding

- Project funding (fixed-amount funding)

Amount

- Subsidy per training group week and participant: EUR 150.00 (A training group week is based on five training group days, which do not have to be completed consecutively. However, only full participant weeks are funded. If no full participant weeks are completed, the funding is rounded down to the full participant week)

(Details: see funding module / SAB programme page)

****Note:**** There is no legal entitlement to this funding.

Erforderliche Unterlagen

- Supporting documents and evidence

For details on the documents to be submitted, please refer to the information on the application procedure.

Voraussetzungen

Eligible to apply

- Companies (natural or legal persons, associations of persons) with up to 500 employees with their registered office or branch in the Free State of Saxony which send trainees to the association partner within the framework of the training contract

Modul
Sachverhalt

Further requirements

Funding is possible if

- the training is in the form of in-company vocational training.
- the vocational training is carried out in recognised training occupations according to the Vocational Training Act (Berufsbildungsgesetz) or the Crafts Code (Handwerksordnung) and the training course complies with the requirements of Section 1 (3) of the Vocational Training Act (BBiG).
- the training contract is entered in the IHK's register of vocational training relationships at the time of application.

The IHK must confirm that these requirements have been met.

Kosten

none

Verfahrensablauf

As a first step, take advantage of the advisory services offered by the Sächsische Aufbaubank - Förderbank - (SAB). You can apply for funding online at the SAB funding portal

Application:

- You fill out your application online and an electronic assistant guides you through the process.
- Once you have completed the entry, the SAB will send you a confirmation e-mail containing your application and a summary of all the information you have entered.
- Please print out the application, sign it and submit it together with the required attachments to the Chamber of Industry and Commerce (IHK) responsible for your company for forwarding to the SAB.
- After the SAB has examined the application, you will receive a decision as to whether and to what extent

Modul	Sachverhalt
	<p>your project will be funded.</p> <p>#### Payment</p> <p>Before the lump sum is paid out, the attendance of the participants for the period of the collaborative training must be proven (confirmation by list of participants).</p>
Bearbeitungsdauer	
Frist	<ul style="list-style-type: none"> • Application: by 31.01. of the current training year • the training may already begin before the application is submitted (in relation to the coming or current training year) • Submission of proof of use to the SAB: no later than one month after the end of the approval period
