Volltext	#### Application for entry in the list of architects, interior architects, landscape architects or urban planners in accordance with § 5 and §§ 33 to 34a of the Saxon Architects Act (SächsArchG)

Modul

Sachverhalt

The professional title "architect", "interior architect", "landscape architect" or "urban planner" may be used in the Free State of Saxony by anyone who is entered under this title in the list of architects or urban planners of the Saxony Chamber of Architects.

Registration in one of the above-mentioned lists is not required if you are already registered in a corresponding list at the Chamber of Architects of another federal state.

Those registered in the list of architects and town planners at the Saxony Chamber of Architects are compulsory members of the Saxony Chamber of Architects. Professional obligations apply.

****Attention!**** If you use the above-mentioned professional titles without authorisation, the Saxony Chamber of Architects is authorised to prohibit you from doing so. The unauthorised use of the professional title is an administrative offence that can be punished with a fine.

- If you have an academic title (e.g. Dipl.-Ing., Bachelor, Master, etc.), you are authorised to use this title regardless of whether you use the above-mentioned professional title.
- In the case of an academic title based on a foreign educational qualification, you use the title in the language of the Member State of origin, adding the name and location of the educational institution or examination board that awarded the educational qualification.

If you are authorised to use the professional title "architect" or "interior designer", you are also authorised to sign building documents.

Temporary and occasional work

If you only wish to work temporarily and occasionally as an external "architect", "interior architect", "landscape architect" or "urban planner" in the Free

Modul

Sachverhalt

State of Bavaria, you may do so under certain conditions. To do so, you must notify the Saxony Chamber of Architects before commencing the provision of services (see Further information).

Single point of contact

You can use the service of the Single Point of Contact for this procedure. This person will guide you through the procedure, take care of correspondence with all the authorities responsible for your request and provide you with expert advice.

[Chamber of Architects - Forms service](<https://www.aksachsen.org/mitgliedschaft/formulare/>)

Necessary for all applicants:

- Application form (Forms)
- Proof of identity (certified copy)
- Proof of residence, establishment or predominant practice of the profession in the Free State of Saxony (single copy)
 - Proof of practical activity (single copy) or a professional internship of at least two years in accordance with the requirements of the SächsArchG or a successfully completed building traineeship
 - Proof of attendance of further training events in the requested specialisation

In the case of domestic proof of training, additionally:

- Proof of successful completion of a corresponding degree programme at a German university that meets the recognition criteria (certified copy)

Modul

Sachverhalt

- Certificate from the educational institution confirming the standard period of study specified for the degree programme (only for Dipl.-Ing. (FH) or Bachelor's degrees; single copy)

In the case of proof of training / professional qualification from an EU member state or equivalent state in which the profession is regulated, additionally:

- Proof of training (notarised copy)

In the case of proof of training / professional qualification from an EU member state or equivalent state in which the profession is not regulated:

- Proof of training (notarised copy)
- Proof that this profession has already been practised for at least one year during the previous ten years in one of the above-mentioned countries (single copy)

For the area of automatic recognition / special recognition for architects in the area of the Professional Recognition Directive:

- Proof of training (notarised copy)
- if applicable, additional proof of a professional internship of at least two years in accordance with the requirements of the SächsArchG (single copy)

or

- Proof of authorisation on the basis of Art. 48 of Directive 2005/36/EC (single copy)

Modul

Sachverhalt

For foreign proof of training (third country):

- Proof of training (certified copy)
- Declaration as to whether an application for determination of the equivalence of the professional qualification has already been submitted, to which body and with what result

In the case of self-employment:

- Proof of adequate professional indemnity insurance (single copy),

if you wish to use the suffix "Freelance":

- Proof of autonomous and independent activity (single copy)

Translations:

Certificates of training and proof of professional experience that are not written in German must be accompanied by a translation into German. Only publicly appointed or sworn interpreters or translators are authorised to translate.

In individual cases, the competent authority may request further documents or translations in German.

Voraussetzungen

- Residence, professional establishment or predominant professional practice in the Free State of Saxony
 - Professional practice
 - after graduation, usually two years of practical work in the main professional tasks of your specialisation or
 - successful completion of a professional internship or construction traineeship
 - at least five further training courses in the respective

Modul

Sachverhalt

specialisation after graduation within the last three years

- in the case of self-employment: sufficient liability insurance

Further requirements, depending on the type and origin of the training certificate / professional qualification:

Proof of training - domestic

- Degree in the relevant specialisation of at least eight semesters standard period of study at a German university, which fulfils the content requirements according to the Saxon Architects Act:

- Study requirement interior design
- Study requirement landscape architecture
- Study requirement urban planner

Annex 1 to § 5 para. 2 sentence 1 no. 2 SächsArchG

Proof of education / professional qualification - EU member states or equivalent countries

- Proof of training/professional qualification that entitles the holder to take up and practise the above-mentioned professions in an EU member state or equivalent countries

- Determination by the Saxony Chamber of Architects that there are no significant differences to the statutory registration requirements in certain points

When practising the aforementioned professions from one or more EU member states or equivalent states in which the respective profession is not regulated:

- Proof of professional practice over a period of at least one year or a corresponding total duration on a part-time basis during the previous ten years

Modul

Sachverhalt

- Recognition by the Saxony Chamber of Architects that there are no significant differences to the statutory registration requirements in certain respects

Only in the case of the professional title "architect" can

- automatic recognition if the requirements of the EU Professional Recognition Directive (Directive 2005/36/EC) are met or
- the authorisation to use this professional title is given in accordance with the requirements of the Professional Recognition Directive

Proof of training - other countries

- Proof of training that the Saxony Chamber of Architects has recognised as equivalent to the respective domestic study requirements (determination of equivalence)

****Note:**** For applicants with a professional qualification from an EU Member State or a country treated as such or for ethnic German repatriates, the following applies: In the event that the equivalence of your professional qualification could not be determined or significant differences in the professional qualification have been determined, you have the option - in accordance with the provisions of the SächsArchG - of being able to carry out certain compensatory measures (aptitude test, adaptation course).

Kosten

- Fee for registration: at least EUR 80.00; usually EUR 160.00
- Additional costs are incurred if an aptitude test or a compensation measure must be carried out for registration
- Annual chamber fee: EUR 432.00, reduced EUR 96.00
