Informationen

Hinweise

Requesting birth certificates

After the birth, you can request a birth certificate free of charge from the registry office for the social benefit "Assistance with pregnancy and maternity". The certificate is only issued once for this purpose.

- Assistance during pregnancy and maternityAmt24 service

If you need birth certificates or notarised register printouts from the register of births for other purposes (e.g. for your employer), please also apply for these.

Details:

- Birth certificate, request at the registry officeAmt24 service

Subsequent registration of the name

If the child's first name and, if applicable, surname are not yet known when the birth is announced, they must be registered with the registry office within one month.

Note: The registry office will inform the registration office of the birth of your child.

Related procedures:

- Marriage certificate, request at the registry office
- Birth certificate, request at the registry office
- Recognition of paternity
