and further conditions are regulated in the funding modules that the SAB is currently developing. As soon as all requirements have been met, you will find detailed information on the funding procedure and application forms on the Amt24 service portal.

Which projects are funded?

Providing qualifications that are in demand on the regional labour market.

The projects can include the following components in particular:

- theoretical and practical qualification components
- Work trials and internships in companies and institutions on the primary labour market
- complementary support
- Activities to place participants in work in addition to the legal mandate of the labour administration

(Details: see funding module / SAB programme page)

****Note:**** There is no legal entitlement to the subsidised loan.
