Sachverhalt

equivalence with a professional qualification regulated by state law.

This right applies regardless of the applicant's nationality and residential status. In the so called green professions, anyone with a residence and work permit can work in Germany, even if the professional qualification has not been recognized as equivalent.

Single Point of Contact

For this procedure, you can use the service of the Single Point of Contact (Einheitlicher Ansprechpartner). They will guide you through the administrative procedure, take care of correspondence with all the offices responsible for your request and will be available to you as a competent advisor.

Erforderliche Unterlagen

Please complete the application in full and enclose all documents required in accordance with §5 Abs. 1 BQFG:

1. A tabular list in German of the training programs you have completed and the gainful employment you have held,
2. proof of identity (passport or ID card),
3. proof of education acquired abroad,
4. proof of relevant professional experience or other evidence of qualifications, if these are required to establish equivalence, and
5. a declaration that no application for a determination of equivalence has been submitted to date.

The documents numbered 2 to 4 must be submitted to the responsible office in the form of original documents or certified copies. Translations in German of the documents number 3 and 4 are to be submitted. The translations have to be made by a publicly appointed or sworn interpreter or translator.

Voraussetzungen

You must have the intention to pursue gainful employment in Germany.

Furthermore, you need a foreign professional qualification for one of the following professions
