Volltext	<p>You need a corresponding certificate of competence from the competent authority, if you</p> <ul style="list-style-type: none"> • apply plant protection products, • advise on plant protection, • Dispense plant protection products, • or for persons who want to apply, instruct or supervise plant protection products within the framework of a training relationship or an auxiliary activity. <p>You can upload the required documents (certificates, attestations, declarations of cost absorption) online in the application procedure. Your application will be processed by the competent authority of the federal state in which the applicant's primary residence is registered.</p> <p>If all requirements are fulfilled, you will receive a notification with the recognition of the expertise. Once payment has been received, the certificate of competence cards are produced once a month throughout Germany. The card will be sent to you by post by the printing service provider.</p> <p>You have needed the new certificate of competence (SKN) in card format since 26.11.2015.</p> <p>In addition to the application for a certificate of competence, you must participate in a four-hour further training course in a recurring three-year period.</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Certificate of a recognised vocational qualification or • Certificate of a successfully passed examination for expert knowledge or • Certificate of a recognised course of study including additional certification (from higher education institutions, training centre) or • Certificate from another EU Member State for the sustainable use of pesticides

Modul

Sachverhalt

- If necessary, certified translation of the submitted documents
- informal confirmation of costs from the specified invoice recipient
- If applicable, certificate of further training in technical knowledge

Voraussetzungen

You can prove your expertise

- a certificate of a recognised professional qualification according to Annex 2 of the Plant Protection Expertise Ordinance of 27.06.2013 (e.g. farmer, vintner, gardener, etc.) or
- with a certificate of a successfully passed expert knowledge examination (e.g. within the framework of an expert knowledge course) or
- a certificate of a recognised course of study and an additional certificate (from a university or training institution) or
- with a valid certificate from another EU member state for the sustainable use of pesticides.

If there are more than three years between the issuing of the certificate and the application, a current certificate of further training must also be submitted.

Kosten

- for issuance of the certificate of competence: EUR 37,00
- Payment: by SEPA transfer, no prepayment

Verfahrensablauf

You apply for the certificate of expertise online via the application platform "Pflanzenschutz-Sachkundenachweis – Online" (link see -> Forms and further offers). The application is possible with or without registration.

- Follow the instructions for filling in the form.
- You can upload copies of your certificates, such as an assistant's certificate or a certificate of proficiency, in the application. If this is not possible for you, send the copy by mail to the respective office.
- The authority receives the complete application documents and checks the information as well as the authenticity of the certificates and/or attestations.
- When all the requirements for expertise have been proven, the authority will issue the approval notice and a fee notice.

After receipt of the payment, the certificate of
