## Modul

## Sachverhalt

in your exploration project or to be represented in this,

- Third parties must undertake (at the request of the competent mining authority):
- You, or your authorised representatives, must have the necessary legal reliability.
- You must be able to credibly demonstrate that you can provide the necessary financing for proper exploration.
- You must be able to demonstrate that your exploration project will not jeopardise the exploration and extraction of non-mining or mineral resources.
- Your exploration project must not jeopardise any mineral resources whose protection is in the public interest.
- Your exploration project must not affect any overriding public interests that preclude the search in the entire field to be allocated, for example environmental and animal protection.

## Kosten

The costs can be found in the notification.

## Verfahrensablauf

You can apply for the transfer of your permit online via the "BergPass" platform or in writing to your competent mountain authority.

- To register, you will need a BundID and an identity card or residence permit with an active online ID function.
- Go to the "BergPass" online platform and log in.
- Call up the application form and fill it out completely and truthfully.
- Upload the required documents as a file and send the application.
- Contact your competent mining authority and coordinate the required application documents.
- The competent authority will check your application and the documents submitted. If any documents are missing, they will contact you.
- You will receive a notification by post informing you of the decision on your application. In addition, the decision will be sent electronically to the relevant mailbox (BundID or ELSTER company account) in advance and information will be displayed in BergPass.
- You will also receive a notification of costs. Pay the fees.
