Teaser	If you want to vaccinate against yellow fever, you need a permit from the Saxon State Ministry for Social Affairs and Social Cohesion.
Volltext	If you want to vaccinate against yellow fever, you need a permit from the Saxon State Ministry for Social Affairs and Social Cohesion. If you have your own practice or branch or are a public body and already offer vaccinations and would also like to include yellow fever vaccination in your catalog, it is necessary to submit an application for approval as a yellow fever vaccination center.
Erforderliche Unterlagen	• Proof of additional qualification in tropical medicine or basic qualification in travel medicine or clinical work • Proof of institutional character (nomination of representative(s))

Modul	Sachverhalt
	• Certified copy of license to practice medicine • Proof of participation in further training • Confirmation that further training courses will continue to be attended • Confirmation that appropriate premises and facilities are available for vaccination • Confirmation that the vaccine is stored in accordance with regulations (+2 °C to +8 °C) and that specialist information and instructions for use are observed.
Voraussetzungen	The applicant must: • have an additional qualification in tropical medicine or a basic qualification in travel medicine or clinical work, • have one or more representations, • be a licensed physician, • have attended regular further training and continue to do so (in the field of vaccinology and travel vaccinations), • have appropriate premises and facilities for vaccination, • have appropriate cooling facilities for the vaccine
Kosten	from EUR 200.00 to EUR 350.00 **Note:** Counties and independent cities are exempt from fees in accordance with the Saxon Administrative Costs Act.
Verfahrensablauf	1. You apply in writing to the competent authority for approval as a yellow fever vaccination center. 2. The competent authority will check the application received and contact you if further information/clarification is required. 3. Once all documents have been checked and all approval criteria have been met, an appointment will be made with you for an inspection of your vaccination center together with the State Examination Office for Health and Veterinary Affairs and the responsible health authority. 4. If all requirements are met after the inspection, the competent authority will send you the notification as an approved yellow fever vaccination center.

Modul	Sachverhalt
Bearbeitungsdauer	1 to 3 months
Frist	for the application: none Submitted proof of further training may not be older than 2 years. After approval, new training certificates must be submitted every 3 years.
