Verfahrensablauf

- Application to the driving license authority (usually made by the driving school)
- Examination of the documents by the authority
- Obtaining information from the register (central traffic register), in some cases a certificate of good conduct
- Issuing a test order to the TÜV
- Issue of the driving license by handing over the driving license (as part of the practical test by the TÜV), exceptions are possible

Theoretical test:

- must always be taken in writing in German
- if you do not have sufficient reading or writing skills:

Audio test

- with deaf interpreter if required
- The test for category B and the test for only the basic material in the other categories (including mopeds) can also be taken in writing in the following foreign languages: English, French, Greek, High Arabic, Italian, Croatian, Polish, Portuguese, Romanian, Russian, Spanish, Turkish.

The TÜV returns test orders to the driving license authority if

- the theoretical test is not passed within twelve months of receipt of the test order,
- the practical test is not passed within twelve months of passing the theory test, or
- in cases where no theory test is required, the practical test has not been passed within twelve months of receipt of the test order. An extension is not possible. A new application must be submitted.

Further information can be obtained from the driving license authority.
