Volltext	Are you affected by a disability and have had a health impairment for more than 6 months? If so, you can apply to have your disability assessed under certain conditions. As a result of the examination, you may be given a degree of disability. If the examination of the required documents results in a degree of disability of 50 or more, you can be issued with a severely disabled person's pass. In the course of the examination, special health restrictions may be determined in addition to the degree of disability. The corresponding characteristics will be entered in the severely disabled person's pass. The following characteristics can be recognized by the competent authority and entitle you to further compensation for disadvantages: • G - significant impairment of mobility in road traffic • aG - exceptional walking disability • H - helplessness • B - authorization for a permanent escort when using public transport • RF - Reduced radio license fee and/or reduced telephone connection fee • GL - deafness
