racecourse, but also at betting offices outside the racecourse.

A small proportion of the betting proceeds goes directly to the racing club, which must use this income exclusively for the benefit of the state horse breed and for the organization of horse races.

Permission may be granted subject to time limits and conditions.

## Erforderliche Unterlagen

You will need the following documents to process the application:

- Articles of Association
- the last annual report, which must contain a precise overview of the income and expenditure in detail, in particular also the use of the income for the race prizes and for other purposes directly serving the state horse breeding and which must show that the income has actually been used exclusively for the benefit of the state horse breeding
- an estimate with a cost calculation for racing operations
- the conditions under which the totalizator is to accept bets
- General Terms and Conditions (GTC) of the racing association as operator of the totalizator, if applicable

In addition, according to § 4 RennwLottDV, the club must specify the places on the racecourse where the totalizator may be set up and what the minimum amount of the bets should be. Therefore, a document containing this information must also be uploaded.

## Voraussetzungen

The following requirements must be met:

- Racing or horse breeding club: Only racing or horse breeding associations with or without legal capacity can obtain a permit. It must be clear from your club's articles of association that the sole purpose of the club is the promotion of state horse breeding, including by organizing performance tests for horses.
- Your board members and other leading personalities of the association must provide the assurance that the

purpose of the association will be realized.

- They must undertake to allow bookmakers who have been granted permission to place or broker bets on the association's racecourse to exercise their trade on race days at the racecourse against payment of a stall fee.
- The organization or brokering of gambling (horse betting) does not run counter to the defined objectives of the State Treaty on Gambling.

**Kosten**

The fees for the approval of a totalizer are between 150 euros and 1,500 euros.

The fees for changes to the approval of totalizers are between 20 euros and 100 euros.

You will receive a notification of fees.

The administrative fees are set in accordance with the Act on the Levying of Administrative and User Fees in Saarland (SaarlGebG) in conjunction with the Ordinance on the Issuance of a General List of Fees and the General List of Fees (GebVerz) (here: item 525)

**Verfahrensablauf**

1. You submit the application.
2. The responsible office will check your application and the documents submitted.
3. Once the examination has been completed, you will be sent the decision with the result of the examination and a notification of fees.

**Bearbeitungsdauer**

Processing takes around 4 to 5 weeks, provided that the complete and verifiable documents are available.

**Frist**

The application must be submitted at least 2 months before the race.
