These two training courses must be "refreshed" every 3 years • Usage agreement (rental contract) for the training room (with sketch of size and layout, at least 50m² floor space) • Proof/copy of the liability insurance contract which includes first aid training

Modul

Sachverhalt

- Contract for the accompanying specialist supervision by a doctor (doctors with a certificate of competence in rescue services or additional qualification in rescue medicine or comparable qualifications are suitable. Furthermore, the doctors must have in-depth knowledge of the recommendations for first aid issued by the German Advisory Council for First Aid and Resuscitation at the German Medical Association. Doctors with a comparable qualification are specialists in anesthesia. The doctor is responsible for the medical content of the training).
- Blank copy of a list of participants designed by you
- Blank certificate of participation designed by you
- Training plan on the content and scope, i.e. the conceptual design of the training (set of slides)
 - Curriculum/schedule with time allocation of the individual training blocks including breaks (9 units of 45 minutes each according to § 19 para. 1 FeV = 405 minutes + breaks)
 - Proof of training in the rescue service (voluntary training is also possible), plus proof of experience (at least 3 years)
 - We require the training certificates to be submitted as originals (these will be returned immediately) or as certified copies
 - Proof of ownership of an AED demo or training device (e.g. invoice and picture)
 - Proof of possession of two manikins (training device for resuscitation 2 per training course)
 - Motorcycle helmet
 - It is assumed that other materials such as replaceable face masks/mouthpieces, triangular cloths, bandage packs, spare lungs, etc. are available for each participant up to the maximum number of participants of 15 persons or 20 persons with an assistant instructor.
