tissues are intended to be used for scientific purposes, for example animal experiments.

- They carry out the breeding or keeping of vertebrates whose organs or tissues are intended for purposes other than scientific purposes, for example for the creation of cell cultures for diagnostic purposes.
- You keep animals in an animal shelter or similar facility, such as a rescue center.
- You keep and exhibit animals in a zoological garden or other facility or make them available for the latter.
- They bring or import vertebrate animals - with the exception of farm animals - into Germany for the purpose of selling them for a fee or consideration, or place these animals for a fee or consideration, such as through foreign dog welfare organizations.
- They train guard dogs or maintain facilities for this purpose.
- They organize animal exchanges for the purpose of exchanging or selling animals through third parties.
