Teaser	If you wish to use road transport vehicles for the long-distance transportation of animals, you must apply for approval from the competent authority.
Volltext	<p>If you wish to use means of transport, such as truck trailers, car trailers or semi-trailers, for the long-distance transportation of animals, you must first obtain approval for the transportation of animals from both the motor vehicle authorities and the competent veterinary authorities. The transportation process includes the transport from the place of dispatch to the place of destination, including loading, unloading and, if necessary, accommodation at intermediate stations.</p> <p>This regulation only applies to journeys lasting 8 hours or longer or, in the case of breeding and farm animals, lasting longer than 12 hours within Germany if they are associated with an economic activity.</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Application for approval as a means of road transport for the long-distance transportation of animals • Identification document • Details of your facility/institution • Details of the means of transport • vehicle registration certificate • TÜV-certified acceptance report of the means of transport (or DEKRA etc.)

Modul	Sachverhalt
	<ul style="list-style-type: none"> • TÜV-certified acceptance report of the navigation system (or DEKRA, etc.) • Proof of data of the navigation system • Declaration that you or your representative have not applied for approval from any other competent authority in Germany or a member state • Previous proof of approval, if applicable • If necessary, your competent authority can decide whether you need to submit further documents.
Voraussetzungen	<ul style="list-style-type: none"> • Before starting work, you need approval for the means of transport used in accordance with the EU Animal Welfare Transport Regulation. • You need approval from the vehicle authorities. • You require approval from the relevant veterinary authorities. • The means of transport are used for journeys lasting 8 hours or longer. • For breeding and farm animals within Germany, transportation takes longer than 12 hours. • The transportation is carried out in connection with an economic activity
Kosten	This is based on the respective administrative fee schedule of the Saarland or the fee statutes of the authorities responsible under Saarland law.
Verfahrensablauf	<ul style="list-style-type: none"> • Make the application and submit the required documents, which will first be checked for formal completeness. • These and the road vehicle will then be checked by the competent authority. • If necessary, you will be asked to comment again if there are any queries or need for clarification. • If all the necessary requirements are met, you will receive your license.
Bearbeitungsdauer	Once you have submitted all the documents in full, the responsible office will process them promptly.
Frist	You may only use the means of transport once you have received approval.
