Teaser	Have you completed the minimum period of study for a law degree? Then find out here how you can take the final law exam.
Volltext	The first law exam concludes your law studies at Saarland University. It is divided into 2 examinations: • The state compulsory subject examination • The university specialization examination The overall grade of the first legal examination is made up of 70% of the grade of the state compulsory examination and 30% of the grade of the university specialization examination. You can decide the order of the two examinations yourself. The first legal examination is the basis for admission to the preparatory legal service and therefore also a
