Teaser	If you are interested in a place on a degree program with local admission restrictions, please apply via the university's SIM portal. Two applications will be given equal consideration. Students who are already enrolled are generally excluded.
Volltext	The number of prospective students in Germany exceeds the number of available study places in some degree programs. Central coordination in the local admissions procedure ensures that each applicant only receives one study place and that all available study places are allocated where possible. The universities will provide you with comprehensive advice on the allocation of study places.
Erforderliche Unterlagen	Please contact the respective university to find out which documents you need to submit.
Voraussetzungen	• You have a university entrance qualification (e.g. Abitur) • You meet the individual requirements (e.g. Abitur grade)

	and submit the application. You will be informed of the result of the application and document check by the university.
Bearbeitungsdauer	The processing time varies within the legally prescribed deadlines depending on the degree program. You will receive the letter of admission from the UdS and htw saar in August if you are applying for the winter semester and in February if you are applying for the summer semester. Processing is generally completed by the beginning of the semester.
Frist	For a winter semester, you must apply online by July 15. For a summer semester, apply online by January 15. You will be informed on the websites of the universities whether other deadlines have been set.
