professionally unrestricted permission according to the Dentistry Act;

- possibly, in the case of dental training completed abroad, proof that the equivalence of the dental training has been recognized,
- proof of identity,
- a tabular list of your qualifications and your professional experience
- the certificates or attestations attesting to the completion of the prescribed periodic training
- if applicable, certificates of conformity
- possibly additional evidence for the examination of equivalence
- written declaration as to whether and to which body you have already submitted an application for a determination of equivalence

The required evidence must be submitted as certified copies, translated into German if necessary; the date of certification of the copies must not be older than eight weeks at the time of application.

Voraussetzungen

The recognition of your continuing education qualification is only possible if you already have a license to practice dentistry valid in Germany or a professionally unrestricted professional license in accordance with the Dentistry Act. For this, you must be personally and healthily suitable.

You must prove your German language skills when you are granted a professional license/license to practice medicine. For the recognition of the continuing education qualification, your German language skills will not be checked again.

Kosten

A fee is charged for the recognition of the continuing education title, which may vary depending on the necessary verification procedure.

Verfahrensablauf

Recognition must be applied for in writing at the Schleswig-Holstein Dental Association. It decides on the application and checks whether you have acquired all the special or additional knowledge and skills
