professional qualification in the federal state? In doing so, the competent body compares the qualifications with the help of certain criteria. Important criteria are the content and duration of the training. The competent body also takes into account your professional experience, your other certificates of competence and qualifications when carrying out the equivalence test.

You will receive a decision with the result of the procedure. You will get the recognition if your professional qualification and the professional qualification in the federal state are equivalent.

Sometimes there are significant differences between the professional qualifications. The differences are listed in your notification (adaptation measures). You can use this notice to obtain specific further qualifications. After successful completion of the adaptation measure, your application can be recognized.

If your professional qualification is not equivalent at all, you will not receive recognition and your application will be rejected.
