Volltext	<p>Registration of a vehicle that was already registered abroad (non-EU country) is possible on application. The registration is issued by the responsible registration authority. If you buy a used vehicle abroad or move to Germany with a vehicle registered to you abroad, you must apply for registration for this vehicle.</p> <p>Registering a vehicle that was previously registered abroad is more complicated than registering a new vehicle or transferring it, as more documents are required.</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Completed application forms, if applicable • Valid identification document (identity card or passport of the vehicle owner; if passport is presented, also a current registration certificate) • Foreign vehicle documents, if applicable, • foreign license plates (if available) • Purchase contract/invoice • Expert opinion according to § 21 StVZO or CoC

papers (incl. pollutant class / emission key) (the submission of a COC or a data confirmation by the manufacturer is only sufficient if the vehicle documents of the third country show that the EC type approval number has been recognized for registration there)

- Electronic insurance confirmation (eVB)
- Bank details for vehicle tax (SEPA direct debit mandate)
- Proof of inspection in accordance with § 29 of the Road Traffic Licensing Regulations (usually main and exhaust emission test)
- Customs clearance certificate/proof of customs clearance

Further information can be obtained from your local licensing authority.

Further documents if necessary, e.g:

- if you are represented by a third party: your written power of attorney and your identity document (original); the authorized representative must be able to identify himself/herself with a valid identity card/passport.
- if you are a minor: the written declaration of consent of the legal guardians and their identity documents (in the original); if applicable, a certificate of sole custody (so-called "negative certificate") for single parents
