Teaser	Private schools are independent schools.
Volltext	In contrast to public schools, private schools have an independent sponsor - and are therefore also called "independent schools". The Basic Law (GG) expressly guarantees the right to establish private schools in Art. 7 Para. 4, 5 GG. Independent schools are subject to state school supervision (legal supervision). A distinction must be made between alternative and supplementary schools: • Ersatzschulen are schools requiring approval which - according to the overall purpose pursued with their establishment - aim to achieve the general educational objectives and qualifications. • Supplementary schools are schools that do not require approval but must be registered.
Erforderliche Unterlagen	You can download a checklist for the approval of the establishment and operation of a substitute school or a supplementary school from the state portal "Bildung Schleswig-Holstein". https://www.schleswig-holstein.de/DE/Fachinhalte/P/privatschulen/genuehmigungsverfahren.html https://www.schleswig-holstein.de/DE/Fachinhalte/P/privatschulen/genuehmigungsverfahren.html
