Teaser	Land and/or properties that are no longer required by the state of Schleswig-Holstein or a local authority can be purchased by citizens or companies.
Volltext	Citizens and companies can acquire land and property that the state of Schleswig-Holstein or a local authority no longer needs to fulfill its duties. In addition, items that come to the state or a local authority through inheritance, such as crockery, jewelry or vehicles, are auctioned off to the highest bidder. This also applies to land and real estate transferred from estates.

Hinweise	The so-called "fiscal inheritances" or "fiscal inheritances" arise when the country is appointed as heir or the existing heirs renounce the inheritance. A municipality, like the state, can become a testamentary heir; however, unlike the municipality, the state becomes a legal heir under certain conditions.
