Modul

Sachverhalt

- has proven their expertise in accordance with Section 11 (1) of the Chemicals Prohibition Ordinance (ChemVerbotsV),
- has the required reliability and
- is at least 18 years old.

In the case of companies with several establishments, there must be one person who meets these requirements in each establishment where substances and mixtures covered by Annex II ChemVerbotsV are offered.

The permit may be restricted to individual hazardous substances and mixtures or to groups of hazardous substances and mixtures. It may be granted subject to conditions. Conditions may also be imposed retrospectively.

The following do not require a permit

- pharmacies
- Manufacturers, importers and distributors who supply the aforementioned substances and preparations only to resellers, professional users or public research, testing or teaching institutions

Erforderliche Unterlagen

- Proof of expertise (certificate of expertise and, if applicable, proof of participation in an advanced training course)
- Certificate of good conduct of document type O for submission to authorities
