Sachverhalt

A public interest exists, for example, if a university institute is commissioned to conduct a study as part of a research project. This could be: "Acceptance of local public transport among 40-45 year olds in Region A". The registration authorities of region A may then give the institute the addresses of the 40 to 45 year olds from this region

Kosten

The amount of the costs depends on the administrative fee statutes of the respective municipality.

Verfahrensablauf

You can submit your application for group information at the registration office of the place of residence of the group of persons you are looking for:

- in person
- in writing or
- electronically

Note: The municipalities' population register only contains data on private individuals. You can obtain information about companies or business enterprises from the business register.

Bearbeitungsdauer

As a rule, two to twelve weeks in the case of a written request

Hinweise

If you are looking for a specific person, you can apply for simple or extended information from the population register.

A special regulation in group information applies to parties, electoral groups and other sponsors of election proposals. They can apply for group information from the population register six months before an election at state or municipal level, such as local council elections. This also applies to general votes or referendums and citizens' petitions. If you have not lodged an objection, the following
