## Modul

## Sachverhalt

Tip: First names contained in first name directories are unproblematic. These are available in bookshops or on the Internet.

Surname (birth name)

There are many options for determining your child's surname (also known as their birth name). You can find more information on determining your child's surname in the Federal Ministry of Justice's brochure on naming law.

Note: For children with foreign citizenship, naming is generally governed by the law of the country to which they belong. Detailed information can be obtained from the embassy or consulate of the country in question.

## Kosten

for the declaration of name and the first issue of a birth certificate: none

## Verfahrensablauf

Give the desired first names and the surname of the child to the birth centre. The birth centre will forward the information to the registry office when the birth is announced. The registry office of the place of birth of your child is always responsible.

If you report a home birth to the registry office, inform the registry office directly of the desired first names and surname.

The registry office will issue the child's birth certificate.

## Bearbeitungsdauer

## Frist

If the name has not yet been decided at the time of birth, you must announce it within one month afterwards.

## weiterführende Informationen

## Hinweise

If the parents, who do not have a married name and who have joint parental custody, do not decide on the child's birth name within one month of the child's birth,

## Modul

## Sachverhalt

the child shall be given a double name formed in alphabetical order from the names of both parents. If the name of one parent consists of several names, the alphabetically preceding name is used to form the double name. The names used are joined by a hyphen. If this results in a birth name for the child that at least one parent rejects by declaration to the registry office, the family court transfers the right to determine the child's birth name to one of the parents. If the right of determination has not been exercised by the end of the period set by the family court, the child retains the double name formed in alphabetical order from the names of both parents.

## Rechtsbehelf

You can lodge an appeal against a negative decision. You will find the responsible office in the instructions on appealing the decision.
