Volltext	<p>The main purpose of the residency permit for foreign students is the course of study. Should you come from certain countries, you can take up limited employment:</p> <ul style="list-style-type: none"> • for 120 full days or 240 half days in any calendar year • Secondary student activities These are generally undertaken at universities and other academic institutions. As examples, these also includes higher education related activities in organisations equivalent to universities. <p>This is also stated in your residency permit.</p> <p>In all other cases, you must obtain the permission of the competent body in order to work or undertake an internship.</p> <p>As an example, this applies to</p> <ul style="list-style-type: none"> • longer hours of gainful employment during the holidays, gainful employment to deal with a financial emergency, or • to participate in internships, even if these are unpaid. This does not apply to internships which are mandated by the course or examination regulations and which can be proven to be necessary in order to complete the course of study. In such cases, the internship is part of the course of study.
