Teaser	<p>The eID card is a chip card with which you can prove your identity electronically. With the eID card, you can identify yourself online and, for example, carry out administrative or business transactions digitally.</p>
Volltext	<p>The eID card is a chip card with which you can prove your identity electronically. With the eID card, you can identify yourself online and, for example, carry out administrative or business transactions digitally.</p> <p>You can obtain the German eID card as a citizen of another member state of the European Union as well as Iceland, Liechtenstein or Norway (European Economic Area) - regardless of whether you live in Germany or not.</p> <p>The online ID function of the eID card offers you as a citizen of these states the same electronic function as the German electronic identity card or the electronic residence permit in Germany. You can apply for the eID card regardless of whether your home state has an eID system or not.</p> <p>If you use the eID card, you can decide and control yourself in each case whether and to whom you transmit personal data digitally.</p> <p>Validity of the eID card: 10 years</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> • ID card (identity card), passport or another valid identity document issued by your home country • If you do not have a residence in Germany, other proof of your residence is required. You can ask for the necessary documents at the competent mission abroad. • If you have moved to Germany and have not yet registered, you must first register at a German registration office (usually: Bürgeramt). You can find
