Teaser	The cities and municipalities as well as the private school authorities build the school buildings in Baden-Württemberg.
Volltext	The cities and municipalities as well as the private school authorities build the school buildings in Baden-Württemberg. School authorities can receive funding for school construction measures from the state of Baden-Württemberg if the planned construction measure is necessary. The state of Baden-Württemberg funds the construction of rooms for curricular instruction or all-day school operation. In addition, the state subsidises the renovation of existing school buildings.
Erforderliche Unterlagen	• Funding application with cost and financing plan • Construction drawings on a scale of 1 : 100 with site plan • Building description
Voraussetzungen	The state provides funding for construction measures if they are necessary. Please contact the responsible office at an early stage. advises you on the requirements for funding.
Kosten	The responsible regional council processes the funding application free of charge.
Verfahrensablauf	Please be sure to clarify the necessity of your school construction or renovation measure with the locally responsible regional council before you start building.
Bearbeitungsdauer	
Frist	Submit your funding application by 1 October of a given year. The Regional Council will then consider the funding application for the following year.
